## **Orthopaedic Residency and Fellowship Training:**

Traumacentre Murnau/ Germany

Østfold Hospital, Norway

Oslo University Hospital, Ullevål, Norway

Oslo University Hospital, Rikshospitalet, Norway

## **What attracted your interest to IPSG?**

High level research with multicentre involvement

## **What would you say is the most challenging part of treating Perthes Disease?**

The aetiology is still unknown, prognostic factors debated and treatment protocols differ tremendously.

## **What would you like to see accomplished through annual IPSG meetings?**

A better understanding of the pathology. Multicentre research and exchange of expert knowledge which may path the way for evidence based treatment protocols.
